

ICC
World Chambers
Federation

Working with chambers.
For business. For you.

We are the ICC World Chambers Federation (WCF)

We connect chambers across borders, creating a better environment for businesses large and small, to drive prosperity and opportunity for all.

We are present in more than 100 countries with a network of more than 3,000 chambers.

What we do

WCF works to deliver tools for chambers and MSMEs on...

Women empowerment

Enhanced access to global markets

Digitalisation

Sustainability in business and climate action

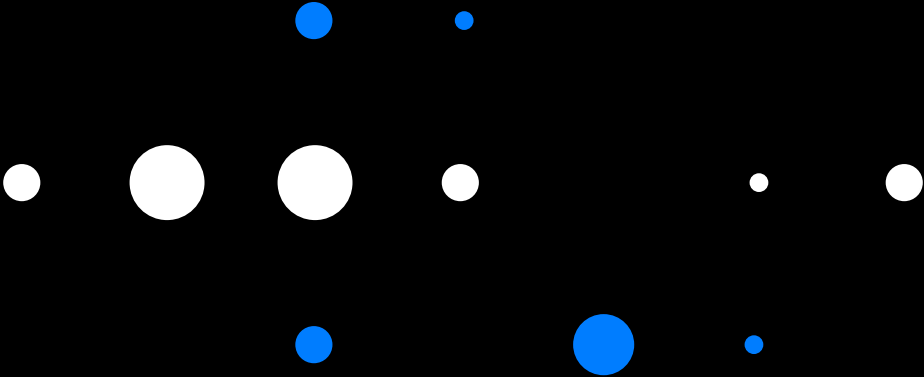

Why Join WCF?

- »»» **Acquire world class status for your chamber**
- »»» **Expand your network worldwide with peers from over 100 countries and with key international organisations**
- »»» **Stay updated on challenges and opportunities that chambers are facing worldwide**
- »»» **Improve, develop and digitise your trade documentation activities**
- »»» **Be part of the next generation of tailor-made solutions for chambers and MSMEs**

WORLD
CHAMBERS
CONGRESS

WCF is ICC's unique and truly global forum connecting, leading and inspiring the global network of chambers and their respective business communities.

We work to enhance chamber capacity to foster private sector development in every region of the world.
